I, _____, agree to the following guidelines:
(Please Print)

1. I will provide humane and adequate care necessary for the health and emotional well-being of the animal(s) assigned to me, including but not limited to housing, feeding, grooming, training and medication when required. If at any time I am unable to meet these requirements for my foster animal(s), I agree to immediately return the animal(s) to the Hawaiian Humane Society (the "Society"). I consent not to assign foster care of this animal(s) to any other individual if I cannot carry out the entire foster term.
2. I agree to return the animal(s) to the Society upon fulfillment of the assigned foster period or upon request by the Society before the foster period has expired. The ultimate disposition of foster animal(s) will be determined solely by the Society.
3. Fostering an animal(s) is not considered an adoption, sale or transfer of ownership. The Society has exclusive rights to the animal(s); I acknowledge that the animal(s) in my care legally belongs to the Society.
4. I agree to abide by all state and county laws and the Society regulations and policies both oral and written. If the animal(s) becomes lost, I shall immediately inform the Society.
5. I give the Society permission to inspect my home or property at any time to determine the condition of the foster animal(s) or environment in which they are housed. The Society reserves the right to remove the animal(s) at any time.
6. Medical and/or behavioral conditions may not have been recognized in the foster animal(s) placed with me by the Society. I accept the animal(s) as is and assume all risk that may arise, including the risk of damage or injury caused by the animal(s). I hereby indemnify, hold harmless, release and defend the Society from and against any and all actions, claims, damages, disabilities or expenses that may be asserted by any person or entity arising out of or in connection with the health, temperament, behavior or care of the animal(s).
