

Hawaiian Humane Society

People for animals. Animals for people.

PET SHELTER MANAGERS

Value of this Position: Be on the front line to provide essential care to our island's pets in the case of a disaster. Learn standard operating procedures for operating an emergency pet shelter, animal handling, and other important skills required to carry out this unique volunteer position.

Time Commitment: on call for 2 years

Supervision: Report Julie DeNucci, Animal Behavior Coordinator and Julie Nguyen, Volunteer Coordinator

Prerequisites/Necessary Skills:

1. Must be over 18 years of age
2. Completion of EPS Training
3. Must be able to maintain professionalism, composure and compassion in emotionally charged situations
4. Must be able to perform physically rigorous work, stand for entire shift and able to lift 50 pounds
5. Must have no limitations to prevent handling or working with all animals
