

Pets of Patriots Fact Sheet

What is Pets of Patriots?

A Hawaiian Humane Society program designed to provide pet care assistance for military personnel deploying on short notice due to war.

Who's eligible?

Active duty military personnel who have a pet that needs temporary care.

Available services:

- ◆ Foster Care, in the home of a community volunteer
- ◆ Help with relocating pet(s) to the Continental U.S. to be taken care of by a friend or relative
- ◆ Sample forms

Who will provide the foster care for my pet(s)?

Community volunteers who have contacted the Hawaiian Humane Society with an interest in providing temporary foster care for the Pets of Patriots.

Who is financially responsible for the care of my pet?

All of the pet's(s) financial needs are usually taken care of by the pet owner. All financial responsibilities should be agreed upon by both parties prior to deployment.

Will all of my pets be placed in the same foster home?

All efforts will be made to keep pets together in the same foster home, but will ultimately be the decision of the community volunteer.

What if I need assistance in relocating my pet to the continental U. S.?

The Hawaiian Humane Society will recommend airline carriers that have informed us of their military discounts. In the event that the owner is unable to transport their pet(s) to the airport, the Hawaiian Humane Society may be able to assist in the transporting of their pet(s) to the airport.
