

WARNING

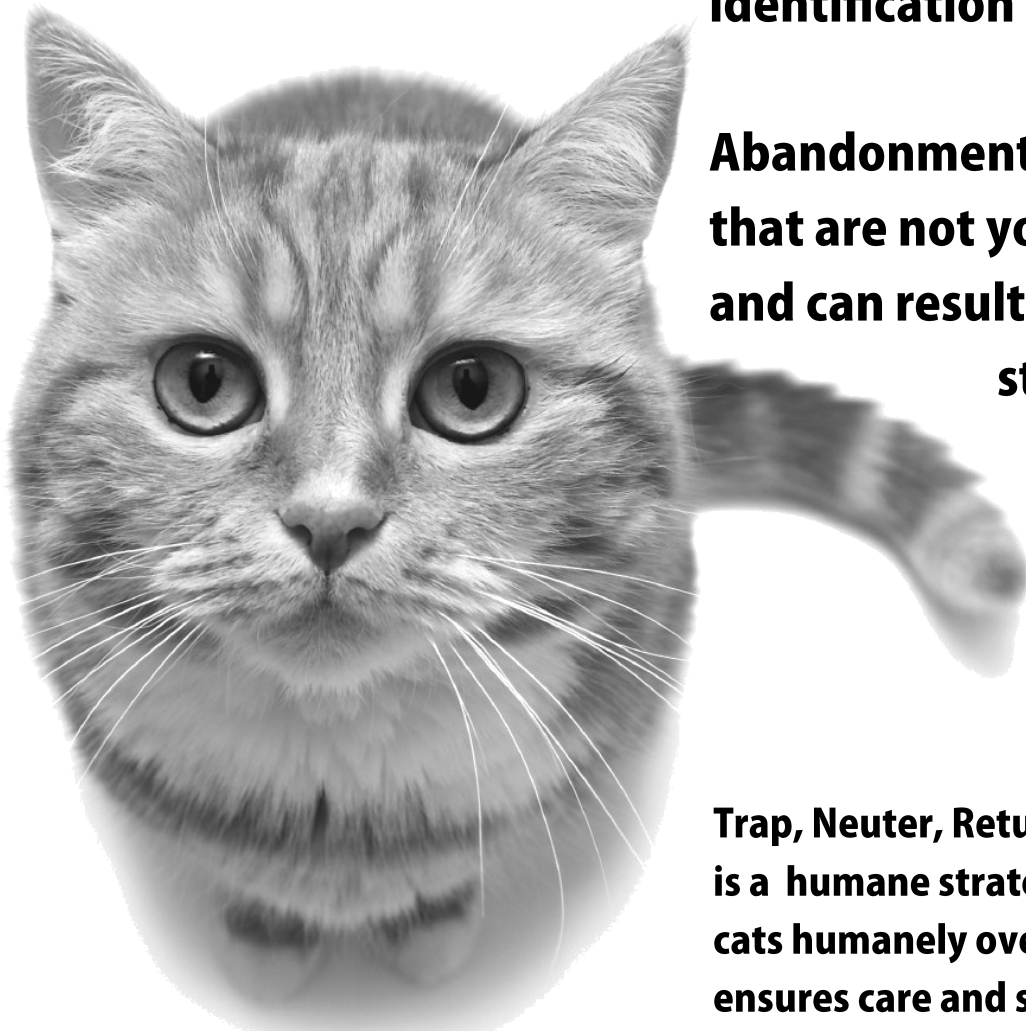

IMPORTANT LAWS TO PROTECT CATS

All outdoor cats must have a microchip or collar with identification and be sterilized.

Abandonment or relocating cats that are not your own is a crime and can result in suffering, starvation and death.

Poisoning, tormenting, torturing or killing cats is a felony.

Trap, Neuter, Return & Manage of feral cats is a humane strategy to reduce unwanted cats humanely over time in your area that ensures care and saves lives.
