Hawaiian Humane Society is a 501(c)3 education and advocacy organization that shelters, protects, rescues, reunites and rehomes animals. It is O'ahu's only open-admission shelter that welcomes all animals every day of the year. Established in 1883, this independent non-profit organization is not affiliated with nor a chapter of any other

sheltering organization. Gifts made directly to the Society help local animals and people.

Our Mission: Hawaiian Humane Society is dedicated to promoting the human-animal bond and the humane treatment of all animals.
